KRISTI HUMMEL

Kristi Hummel has been an active volunteer in the IEEE for 14 years. She has served in several volunteer roles including the GOLD Representative to the IEEE-USA Board of Directors, South Area Chair for Region 5, 2005 IEEE-USA Annual Meeting Conference Chair, and Regional Student Representative for Region 5. She currently serves as the Chair for the IEEE-USA Student-Professional Awareness Committee. Living in Austin, TX, she works for National Instruments as an R&D Group Manager in the Modular Instruments team. Kristi received her BSEE and BS CompE from the University of Missouri at Columbia and her MSEE from the University of Illinois at Urbana-Champaign.
