

PAUL J. KOSTEK

Paul J. Kostek is a Principal of Air Direct Solutions, a systems engineering/project management-consulting firm. He works with companies in defining system architecture and design, system requirements, and software development standards. He received his B.S. from the University of Massachusetts, Dartmouth, in 1979. Mr. Kostek is a Senior Member of the IEEE, was the 1999 President of IEEE-USA, and a member of the IEEE Board of Directors. He also served as President of the IEEE Aerospace & Electronics Systems Society in 2000 & 2001.

Mr. Kostek is a Senior Member of the American Institute of Aeronautics and Astronautics, the International Council on Systems Engineering, SAE, and the Project Management Institute. He is also a director of the Washington Aerospace Alliance.
