

VIN O'NEILL

Vin O'Neill is IEEE-USA's Senior Legislative Representative for career policy activities. His duties include lobbying Congress and federal agencies on engineering workforce issues such as employee benefits, education, immigration, offshoring and engineering licensure. O'Neill provides staff support for IEEE-USA's Career & Workforce Policy and Licensure & Registration committees. He is a registered lobbyist and has more than 25 years experience as a manager of federal and state government relations programs for Washington-based trade associations and professional societies. O'Neill graduated from Dartmouth College and the University of Pittsburgh's Graduate School of Public and International Affairs. He joined IEEE-USA in 1985.
