

KENNETH J. REID

Ken Reid is an Associate Professor of Electrical and Computer Engineering Technology at Indiana University Purdue University Indianapolis (IUPUI). He is a senior member of the IEEE, and served as Chair of the IEEE-USA Precollege Education Committee from 2005-2006. He is currently completing a PhD program in Engineering Education. He has received numerous teaching and service awards, including the Outstanding Teaching Award from the Illinois-Indiana Section of the American Society for Engineering Education (ASEE) and a Third Millennium Medal from the IEEE. He is active in many precollege activities in Central Indiana, as well as articulating credits for high school programs such as Project Lead the Way and A+ Certification programs.
