

## NICOLE HALPER

Nicole Halper is currently a junior pursuing her BSEE from the University of Texas at Dallas (UTD). She hopes to work with a focus in microelectronics as well as research and development when she graduates. She has been involved with the IEEE Student Branch at UTD since her freshman year of college. She is currently the Chair of the chapter and also served as the Chair of the first S-PAC held at UTD on February 22, 2008.
