

WILLIAM R. KASSEBAUM, P.E.

Mr. Kassebaum is the Executive Vice President and founder of Stellar Wind Development LLC, an Indianapolis based Professional Computer and Electrical Engineering Consulting Company focused on technology development and intellectual property formation. Stellar Wind Development projects span a number of industries including Military, Consumer Electronics, Industrial Applications, Software Products, and Renewable Energy since 1997. Mr. Kassebaum is a graduate of Purdue University with bachelors and master's degrees in Computer and Electrical Engineering and has over 22 years of industrial experience working at every lever of a project team. He has been responsible for the management and success of large multi-year development projects and over 10 successful product and product line deployments during his career.

Mr. Kassebaum is a Senior Member of the IEEE and serves as Chair of the Central Indiana Section (2006-present), Co-Chair of the Central Indiana Engineering Consultants' Network, and is a member of the coordinating committee of the Alliance of IEEE Consultants' Networks(AICN) for the IEEE-USA.
