Region 3 Report

Ed Kirchner

Activities: January - March 2010

- ▣ Named new Region 3 representative
 - Ed Kirchner

A Message from Region 3 Director, Lee Stogner

- Employment Assistance is my main priority for Region 3 in 2010. I'm hopeful that your meeting will develop fresh ideas that we can use. We not only need to support the current members that are unemployed, but we need a advance system in place to support the NASA engineers that have been targeted for layoff in Florida
- Please feel free to prototype your ideas in Region 3.
